Hi there! I'm a computer science undergraduate with a love for all things tech. I'm passionate about putting my skills into action. I'm a team player with great communication skills and always eager to learn new things. Let's work together to create something amazing!

PROJECTS AT UNIVERSITY

SKILLS

- **Programming Languages**

Java ,C,C#,JavaScript

- **Web Development**

React , HTML ,CSS ,Nodejs ,
Bootstrap,WordPress

- **Database**

MySQL ,MongoDB

- **Tools & Technologies**

Matlab , MS Office, Github ,
Postman ,xampp,Visual Studio

FINAL YEAR PROJECT -GROUP(ONGOING)

- we are creating application to find medicine .we provide location of the nearest pharmacies and online purchase ability.it help to find medicine easily which are really rare to find in hometown

Technologies - MERN

PREGNENT WOMAN GUIDING APP

- we created application which completely guiding pregnant woman by build direct connection with hospital and their family doctors.We also provide instructions and guideline till baby in 2 years old

Technologies - Java ,MySQL

EDUCATION

university of ruhuna

Bachelor of Computer Science
-19/20

Current GPA -3.43

K/Balika Vidyalaya,Kegalle

Secondary Education - 2003-2016
A/L - A B C
O/L - 9 As

ENGLISH PROFICIENCY

- Passed Preliminary English University Level1:B- (2020)

CERTIFICATIONS

- Front End Development-CSS
- Python Fundamentals for Beginners
- Software Testing
- Cloud Computing Architecture

Great Learning

- Create Website Using WordPress

Coursera

RESPONSIBILITIES

- captain - university taekwondo team
- captain - Faculty taekwondo team
- captain - Faculty Weightlifting team
- committee member -
computer Science Student Community
university of ruhuna
- committee member in Leo club
- committee member in Ruhun Cricket fiesta
- committee member in carrier guidance unit
- was a school prefect in k/balika vidyalaya

ACHIVEMENTS

- ACES Coders v9.0 2022 - Final list
(60/100)
12 hours overnight coding competition
- HackX 2019 -Semi Finalist

PROFESSIONAL QUALIFICATIONS

- intern in Bank Of Ceylon

OTHER PROJECTS

STUDENT MANAGEMENT SYSTEM

- student can be given homework by teachers, student can view and able to delete them after complete .

Technologies - MERN

ECOMMERCE WEBSITE

- customers able to create create accounts and purchase cosmetics products through this application

Technologies - MERN

STUDENT MANAGEMENT SYSTEM

- complete spring boot web application which able to do crud operations

Technologies - Java ,Spring Boot ,MySql,Thymeleaf,

EXTRA ACTIVITIES

Sports

- Gold medilist in taekwondo poomsae -inter-uni
- Bronz medilist in taekwondo team poomsae-inter -uni
- University colors and slusa colors holder-2022
